Report of Inquiry

5/10/17

██████ called HCPD. I spoke to ██████ and she related the following concern. On 5/9/17 she called HCPD and requested assistance for a vehicle jump start in Lot 1. (17-069974) ██████ said that she was standing next to the driver's door to the squad and speaking to Ofc. Greenberg, she detected the smell of Marijuana coming from inside the vehicle. ██████ also observed that the Officer moved "slowly" as he walked and moved around. When asked what she meant ██████ said he was slow to place the jumper cables onto the battery.

██████ did not notice any other physical signs (no slurred speech or blood shot eyes) She did not ask about the smell.

I informed her that I would investigate the matter and get back to her.

I checked RMS and located the CFS card of the call. I checked Squad 902 for any unusual smells and did not detect anything. I also spoke to the midnight Officer who used 902 following Officer Greenberg. This Officer did not report any unusual smells in 902.

5/11/17. I re-contacted ██████ and asked her if there was anything else she remembered. She said there was not. ██████ said she did not call right away because she has a busy schedule and thought overnight that she should call HCPD.

5/12/17. I spoke to Ofc. Greenberg. He recalled the jump start and the complainant ██████. He did not state there was any unusual conversation. He said he actually jump started the vehicle twice. He jumped the vehicle successfully and began to pull away when she flagged him down again. This is when the conversion took place at the driver's side window. Ofc. Greenberg denied using or having Marijuana in his possession. I asked if there anything that may have caused ██████ to smell anything as she claimed. He said no. He said they were near the construction fencing in Lot one.

Ofc. Greenberg said his jacket may have smelled of burnt popcorn from a fire alarm call he went on a few days before. (5/5/17 CFS in RMS)

I contacted ██████. She was told of the results of my investigation, thanked her for calling and now it was a closed matter. ██████ was appreciative of the follow up and phone calls I made to her.

Case conclusion: Unfounded.
